The 2nd International Multidisciplinary Anal Cancer Conference

IMACC2023

Rome, Italy, 9-10 November, 2023

We are delighted to invite you to the second International Multidisciplinary Anal Cancer Conference, IMACC2023, to be held at Catholic University of Sacred Heart - Policlinico Agostino Gemelli in Rome, Italy.

The aim is to bring together clinicians, researchers and multidisciplinary groups involved in research and development of anal cancer treatment. The ambition is to strengthen international collaboration and research development in anal cancer.

- **Please register before 8 October using this [LINK](https://shorturl.at/svxFK)**
<https://shorturl.at/svxFK>
- **Abstract submission deadline 20 September using this [LINK](https://shorturl.at/hGIQ1)**
<https://shorturl.at/hGIQ1>

The program will include:

- Keynote lecture by Prof. Vincenzo Valentini
- Oxford debate about neo-adjuvant chemotherapy
- Clinical trials updates
- Biology, basic and translational science
- Posters and poster session
- Proffered papers
- Improved radiotherapy
- Future perspectives for anal cancer treatment and research

We look forward to welcoming you!
